Form & payment required to reserve your spot

This is a BROADCAST Class

What is a broadcast class?

Students who take courses via interactive broadcast take their courses in real time with other students across the state of Texas from an instructor at a separate location. Students and instructors are able to interact with each other through the interactive broadcast system. Students are in a live class and view their instructor on a TV screen in our conference room. A microphone is present in the classroom so that students and instructors can communicate with each other.

Deadline

Register by April 17
